

Inspección de Sistemas Sépticos

Since 1935

El Nueces River Authority está ofreciendo inspecciones de sistemas sépticos de manera gratuita a los dueños de hogares dentro del Lower Nueces River Watershed area. Con su permiso, un inspector de sépticos licenciado evaluará su sistema para verificar si está funcionando de manera correcta.

Este programa ofrece ayuda financiera para reparar ó reemplazar un sistema séptico que está fallando, mientras los fondos estén disponibles. Las personas que apliquen tendrán que demostrar necesidad financiera. Se le va a dar prioridad a las casas que estén cerca de ríos ó arroyos.
